Exchange Offer

Last Updated: February 25, 2019

Eli Lilly and Company Investor Information

On February 8, 2019, Eli Lilly and Company, an Indiana corporation ("Lilly"), commenced an offer to exchange (the "exchange offer") up to an aggregate of 293,290,000 shares of common stock, no par value ("Elanco common stock"), of Elanco Animal Health Incorporated, an Indiana corporation ("Elanco"), for outstanding shares of common stock of Lilly ("Lilly common stock") that are validly tendered and not validly withdrawn, as described in further detail in the Prospectus, dated February 8, 2019, as amended (the "Prospectus").

Pursuant to the exchange offer, for each \$100 of Lilly common stock accepted in the exchange offer, you will receive approximately \$107.53 of Elanco common stock, subject to an upper limit of 4.5262 shares of Elanco common stock per share of Lilly common stock. The exchange offer does not provide for a lower limit or minimum exchange ratio. If the upper limit is in effect, then the exchange ratio will be fixed at that limit, and you will receive 4.5262 shares of Elanco common stock per share of Lilly common stock.

The value of Lilly common stock and Elanco common stock for purposes of calculating the exchange ratio will be determined by Lilly by reference to the simple arithmetic average of the daily volume-weighted average prices ("VWAPs") of Lilly common stock (the "Average Lilly Price") and Elanco common stock (the "Average Elanco Price") on the New York Stock Exchange ("NYSE") during the three consecutive trading days ending on and including the second trading day preceding the expiration date of the exchange offer (the "Averaging Dates" and this three-day period, the "Averaging Period"). The Averaging Dates are expected to be March 4, March 5 and March 6, 2019, unless the exchange offer is extended. If Lilly decides to extend the exchange offer, the Averaging Dates will be reset to the period of three consecutive trading days ending on and including the second trading day preceding such extended expiration date, as it may be further extended.

The number of shares of Lilly common stock that will be accepted if the exchange offer is completed will depend on the final exchange ratio and the number of shares of Lilly common stock validly tendered and not validly withdrawn.

Lilly will provide on this website the daily VWAP of both Lilly common stock and Elanco common stock for each day during the exchange offer. Prior to the Averaging Period, commencing on the third trading day of the exchange offer, the website will also provide indicative exchange ratios that will be calculated based on the indicative per-share values of Lilly common stock and Elanco common stock on that day, calculated as though that day were the last day of the Averaging Period. The indicative exchange ratio will also reflect whether the upper limit would have been in effect, had such day been the last day of the Averaging Period.

During the Averaging Period, the website will provide indicative exchange ratios calculated as follows: (i) on the first day of the Averaging Period, the indicative exchange ratio will be calculated based on the daily VWAPs of Lilly common stock and Elanco common stock for that first day of the Averaging Period and (ii) on the second day of the Averaging Period, the indicative exchange ratio will be calculated based on the simple arithmetic average of the daily VWAPs of Lilly common stock and Elanco common stock for the first and second days of the Averaging Period. The website will not provide an indicative exchange ratio on the third day of the Averaging Period. The final exchange ratio, including whether the upper limit is in effect, will be announced by press release and be available on the website by 9:00 a.m., New York City time, on the trading day immediately preceding the expiration date of the exchange offer (which expiration date, if the exchange offer is not extended or terminated, would be March 8, 2019).

The exchange offer will expire and withdrawal rights shall terminate at 12:00 midnight, New York City time, at the end of the day on March 8, 2019, unless the exchange offer is extended or terminated, except with respect to shares of Lilly common stock held through The Lilly Employee 401(k) Plan, The Savings Plan for Lilly Affiliate Employees in Puerto Rico and The Elanco US Inc. 401(k) Plan (the "Savings Plans"), which cannot be withdrawn after 4:00 p.m., New York City time, on March 7, 2019 (unless extended). If the exchange offer is extended, and if administratively feasible, the deadline for receipt of instructions to withdraw or change previously submitted instructions with respect to shares held through the Savings Plans may also be extended.

If the exchange offer is oversubscribed and Lilly cannot accept all tenders of Lilly common stock at the exchange ratio, then all shares of Lilly common stock that are validly tendered and not validly withdrawn will generally be accepted for exchange on a pro rata basis in proportion to the number of shares tendered, which is referred to as "proration." Shareholders

who beneficially own "odd-lots" (fewer than 100 shares in the aggregate) of Lilly common stock and who validly tender all their shares will not be subject to proration. Shares held on behalf of participants in the Savings Plans (each of which holds more than 100 shares of Lilly common stock) will be subject to proration, even if the individual participants own fewer than 100 shares.

The completion of the exchange offer is subject to certain conditions as specified in the Prospectus. Lilly may waive any or all of the conditions to the exchange offer, subject to limited exceptions.

The information on this website is being provided solely in connection with the exchange offer and should not be used for any other purpose. You should refer to the Prospectus for additional information about the exchange offer. A copy of the Prospectus, the Instruction Booklet to the Letter of Transmittal, forms of a Notice of Guaranteed Delivery and Notice of Withdrawal, the Lilly and Elanco press releases announcing the exchange offer and information for Savings Plan participants are available through the links below.
